## Children's reading success in kindergarten and beyond begins with positive language and literacy experiences from the time they are infants.

- Young children have shorter attention spans. You can do activities for short bits of time throughout the day or whenever you have the chance.
- You can help your children learn in ways and at times that are best for them.
- Children learn best by doing—and they love doing things with YOU!

#### THE ITSY BITSY SPIDER

The itsy bitsy spider went up the water spout.

(Move fingers up toward sky)

Down came the rain and washed the spider out.

(Bring fingers down and back)

Out came the sun and dried up all the rain

(Move arms up over head)

And the itsy bitsy spider climbed up the spout again.

(Move fingers up toward sky)

REPEAT WITH "GREAT BIG SPIDER" USING A GRUFF, DEEP VOICE.

#### IF I WERE A BIRD

If I were a bird, I'd sing a song
And fly about the whole day long.
And when the night comes, go to rest,
Up in my cozy little nest.

### SCARECROW, SCARECROW

Sing to the tune of "Twinkle, Twinkle, Little Star"

Scarecrow, scarecrow, turn around,

Scarecrow, scarecrow, touch the ground.

Stand up tall and blink your eyes.

Raise your hands up to the sky.

Scarecrow, scarecrow, touch your toes.

Scarecrow, scarecrow, tap your nose.

Swing your arms so very slow,

Now real fast to scare the crows.

Raise your head, jump up and down.

Now sit down without a sound.
